Dear Ms. Dortch:

On August 10, 2010, Steve Traylor, the Executive Director and General Counsel of NATOA, met with John Giusti, Chief of Staff, and Jennifer Schneider, Senior Policy Advisor, for Commissioner Michael Copps. The purpose of the meeting was to introduce Mr. Traylor and to give a brief overview of some of the issues of concern to NATOA and its members. Specifically, they discussed the need for certainty in the reclassification proceeding; the importance of PEG programming and preserving a local voice in broadcasting; the order denying NATOA's petition for reconsideration of the wireless siting order; and the need for increased deployment and adoption of broadband services and NATOA's continuing support for the National Broadband Plan.

Pursuant to Commission rules, please include a copy of this notice in the record for the proceedings noted above.

Sincerely,
/s/ Matthew R. Johnson
